After a chance meeting at a local band night, Poppy and Noah find themselves swept up in a whirlwind romance unlike anything they've ever experienced before. But with a secret international agency preparing to separate them, a trail of destruction rumbling in their wake, they are left with an impossible choice between the end of the world, or a life without love.*Home-grown young author with incredibly commercial voice and fearless freshness, poised to take the YA market by storm *Perfect for fans of Louise Rennison, Sophie McKenzie and Cassandra Clare.
